LESIONS OF THE SKIN.

By Emily Lloyd. ✓

This film illustrates certain infectious skin diseases which the Marinello students are instructed in. The instructions for which this film is used are very thorough, the intention being to enable the students to detect diseases of this character immediately.

The lectures given on these diseases are by prominent physicians. Used for educational purposes only and not for resale.

This document is from the Library of Congress
“Motion Picture Copyright Descriptions Collection,
1912-1977”

Collections Summary:

The Motion Picture Copyright Descriptions Collection, Class L and Class M, consists of forms, abstracts, plot summaries, dialogue and continuity scripts, press kits, publicity and other material, submitted for the purpose of enabling descriptive cataloging for motion picture photoplays registered with the United States Copyright Office under Class L and Class M from 1912-1977.
